INTRODUCTION

Customer Satisfaction is the buzzword used by the business people for the success of organization in the present day. Due to the increases of heavy competition in every product line it become difficult for the companies to retain the customer for longer time. So retain the customer for longer time the market has to do only one thing i.e customer satisfaction. If customer is fully satisfied by the product it not only rub the organization successfully but also fetch many benfits for the company. They are less process sensitive and they remain customer for a longer period. They by addition product overtime as the company introduce related produce related producte or improved,so customer satisfaction is gaining a lot of importance in the presnt dat. Every company is conducting suvery on customer satisfaction level on their products to make the products up to the satisfaction level of customer.

This project is also done to know the customer satisfaction on the mahindhra ans Mahinshra Automobile. The impact of automobile industry on the rest of the economy has been so pervasive.
